Mr B. Ranjappa was drawing Rs 700 from 1.2.1935 in the old scale of Surgeons (500-25-700). He was as a special case allowed to draw Rs 750 from 29.10.35 in the revised grade of Rs 500-$\frac{50}{2}$-750 (in advance of the due date), and one of the considerations that had a bearing on the grant of this concession was that his prospects were adversely affected by the revision of Scales. In the case of the Education Department, Govt. expressed the view (vide para 6 of the Reorgn. order of 1927) that they were "in favour of having a selection grade of Rs 700-50-1000 to which one of these offrs [Dy. Directors on 500-40-700] would be eligible for promotion on consideration of good work and merit." Mr. Sultan Mohiuddin (& Mr K. Srinaraasuthaya who has since retired) both reached Rs 700 in November 1932, but neither of them was placed in the selection grade ~~as no time limit~~ and in the meantime the Scales themselves were revised in August 1934, when the selection grade ~~was~~ (which had not actually come into effect) was omitted.

. The officer had reached the maximum of Rs.700 of his grade in 1932. The scale of this post was revised from 500-40-700 to Rs.400-25-700 in 1934. So the officer in this case did not suffer in his emoluments or lose any chance of promotion on account of the revision of scales of pay, and a concession is not therefore called for on this ground. In the cases quoted as precedents, the position was different. (1) In the case of Miss Albuquerque, it will be seen that there was already a vacant post on Rs.700 to 900 before the revision, to which being the senior, she was entitled to be promoted. (2) Mr. Nanjappa was the seniormost surgeon on Rs.700 in the grade 550-25-700 and prior to the revision there were higher posts of surgeons on Rs.800 to which he would have got promoted in the ordinary course but for the revision which abolished this higher grade. On this ground he was given the maximum of the revised grade, viz., Rs.750/-.

The maximum pay of this post of Deputy Director was, I believe, not at any time more than Rs.700 and no such officer ever drew more than this amount.

*Subject.*— Representation of Mr. M. Sultan Mohiyuddin, Deputy Director of Public Instruction, for enhanced emoluments.

These papers relate to the representation of Mr. M. Sultan Mohiyuddin, Deputy Director of Public Instruction, for enhanced emoluments. Mr. Sultan Mohiyuddin has been drawing the maximum pay of Rs.700 in the grade Rs.500-40-700 since 1932. When the Inspectorate was re-organized in 1927, a selection grade of Rs.700-50-1,000 was sanctioned to which post one of the Deputy Directors would become eligible on consideration of good work and merit. But when the grades and salaries of the Department were revised in 1934 due to general retrenchment, this selection grade was abolished, with the result that Mr. Sultan Mohiyuddin had to remain on the same pay for the last five years. The Director of Public Instruction has been repeatedly urging the need for reviving the grade of Rs.700-50-1,000, in view of the exceedingly good work done by Mr. Sultan Mohiyuddin. He states that "in respect of innate ability, devotion to work, thorough mastery of Departmental technique, and active cognisance of educational ideas and ideals, Mr. Mohiyuddin leaves nothing to be desired."

When the papers came to me, I noted that some concession, if not the creation of a special grade, seems called for.

The subject was considered in Council on the 23rd September 1937 when it was resolved that "the pay of Mr. M. Sultan Mohiyuddin may be raised to Rs.800 as a special case, in view of the fact that he has been drawing Rs.700 since 1932, and in recognition of his good

CONFIDENTIAL.

Dear Mr. Venkatesa Iyengar,

CS 28-35-2 B

CB 791 dtd 24/1/37

I am writing to invite kind reference of Government to their letter No. 917/C.B. 28-35-2 dated 18th October 1935 in the matter of a higher grade for Messrs M. Sultan Mohiyuddin and K. Srinarasimhaiya, Deputy Directors of Public Instruction, and to request that the matter may kindly be reconsidered. This time since the retirement of Mr. K. Srinarasimhaiya has been ordered, my recommendation is only with reference to Mr. Sultan Mohiyuddin.

Para 9 G.O. dtd 24.7.1927

Mr. Sultan Mohiyuddin has been drawing the maximum pay of his grade since 1932. If the selection grade of Rs.700-50-1000 had not been abolished when the grades and salaries of the Department were revised in 1934, there would have been a possibility of Mr. Mohiyuddin being promoted to this grade, thereby improving his status and emoluments. Therefore, unless Government sanction a special pay for this officer, there is no near prospect of an improvement in his position. I consider this state of things exceedingly unfortunate, and not at all agreeable to an officer like Mr. Mohiyuddin who has done exceedingly good work and has proved himself to be an officer of imagination and efficiency. I, therefore, recommend strongly that Government kindly reconsider their decision of 1935, and revive the grade 700-50-1000 for the benefit of Mr. Mohiyuddin. In view of the fact he has been so long without promotion, I recommend that he be given a pay of Rs. 850/-. The chances of promotion for an officer in our Department, however efficient he might be, are few and limited, and this can be readily seen when it is recalled that several officers in the Revenue Department who were recently drawing considerably less pay than Mr. Mohiyuddin are now Deputy Commissioners on Rs. 800/- and even

more. Neither in point of ability nor of devotion to duty can Mr. Mohiyuddin be considered to be in any way behind these officers, who have been fortunate in the fact they have entered a branch of service where the number of highly salaried posts is much larger.

Yours sincerely,

K. Subba Rao

GENERAL SECRETARY
23 JUNE 1937

Dear Mr. Venkatesa Iyengar,

I desire to invite kind reference of Government to my letter No.463/P.S. of 36-37 dated 21st January 1937 recommending a higher grade for Mr. M. Sultan Mohiyuddin. Before handing over the charge of the Directorship, I desire to press earnestly my proposal and to request that Government be pleased to sanction the same. It is not necessary for me either to add to what I have said, or to re-iterate it, in appreciation of Mr. Mohiyuddin's abilities and zeal. His work has continued to be excellent, and if I may say so, the promotion which I have recommended will bridge the gulf between the Deputy Directorship and the headship of the Department. In the re-organisation scheme of 1927, a special grade of Rs.700-100-1000 was recommended specifically to enable a departmental officer who was otherwise qualified for the Directorship to compete on equal terms in respect of grade and status with a senior Professor of the University a senior member of the Civil Service. In respect of innate ability devotion to work, thorough mastery of departmental technique, and active cognisance of educational ideas and ideals, Mr. Mohiyuddin leaves nothing to be desired. The promotion I have recommended is, therefore, both retrospective as well as prospective; it is a recognition of his worth and work in the past as well as of his chances in the future.

Yours sincerely,
